Fastserv requests approval of a change in the area to be served under the authority of such Certificate.

A review of the docket file reveals that Certificate No. 7774 was issued to Fastserv pursuant to Commission Order No. 2007-58, dated January 29, 2007, and amended Commission Order No. 2007-58(A), dated February 16, 2007 . Fastserv requests to extend the area to be served to between points and places in South Carolina.

Upon review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

3. An amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.
